## **FORWARD**

The Spiritual Poetry inspired by Mother Nature is meant to create awareness and to throw enormous light in men. Awareness is the golden key to self discovery. Self discovery is the way of discovering the mysteries of Mother Nature and its Creation.

The devil is an open enemy to mankind. He is a legend. In million ways, with little triple tricks he enslaves mankind. His major pre-occupation is to steal our awareness. Mankind's misunderstanding of himself, nature and the existence is due to the loss of our awareness.

Without awareness, you end up to become enemy to yourself, nature and its creation. This is the major factor that constitutes mankind's misery in life. Lacks of awareness, most people are dancing in the rhythm of the devil unaware, held in the spiritual bondage.

The spiritual poetry inspired by Mother Nature reveals the reality and facts relating to nature and man. It creates awareness for those who are covered with spiritual dark clouds and unaware to be awakened.

We can create a perfect peace and harmony only through awareness. And may he who created both life and death, The Plural Excellence of Wisdom, The Ultimate Source of The Power of Creation bless mankind and endow wisdom to all readers who find these words within wisdom and the contents of this Divine Poetry Book precious and of great value.

**Amen Amen.Amen.**

**Kwabena Osei.**

## **RECOMMENDATION**

May The Great God of Creation pour his shower of blessings into the Souls of all those who favor my righteous cause and every reader.

And special blessings to those who contributed and assisted to let these words within Wisdom in a poetry form and phrases spread their wings to enlighten those blessed seekers of Truth and Light.

May the Grace of God be with all now and forever. Special thanks to Madam Amma Adomah, Mr. Coffi Badou-Bonsou, Lucia Jampa and Mr. Dick Brands who assisted and contributed a great deal, worked tirelessly around the clock with all possible means to make it possible to enable these words of Light within Wisdom to spread out to come shine within the Hearts of Men.

**Amen Amen.Amen.**

**Peace and love.**

**Kwabena Osei.**

## INTRODUCTION

### *Spiritual Poetry Inspired by Mother Nature.*

The Mighty voice of the Majesty in his Holiness cries within the breezy Mystery wind at the four corners of Creation to strengthen the path of Humanity.

The same voice is heard from the day of Creation until today, and remains unchangeable. This is to prove to the entire Creation and Creatures that he is a Merciful One and his Loving kindness endures forever to redeem the missing souls of his beloved children.

The same voice many at times knocks at the very closed door to our Hearts. But still man rebukes this divine voice for lack of knowledge and lives with false images, false identities and fake masks. While each and every individual is hiding in it as concealment.

Again and again, the same voice of his Holiness persuades and counsels us to do away the borrowed images and the doctrines of the great Serpent. This is to enable us acquire the Sacred Divine Gold seven times refined in the Sacred Fire. But mankind is being blindfolded and injected with an excessive spiritual sleeping medicine to be insane by Negativity.

Instead they choose the white washed fabricated ideas and knowledge of the Great Serpent which are contaminated and polluted for humanity.

It is simply because of the loss of mankind's authentic personality of Innocence; man always understands and follows the language and the dictates of the Negativity.

On the contrary, mankind finds the voice of his Holiness

which knocks at every door of the closet every moment meaninglessly.

Oh ye Mortal Men, when will your eyes see better and your ears hear and understand better? Blessed are those, who see better and understand the Words within Words from The Supreme Seat of Intelligence of the Mighty Mother Wisdom.

In the midst of Humanity, I stand before thee in the name of The Mother Nature and counsel thee to do away with the false identity, images and the fabricated knowledge of the Serpent holding multitudes in captivity of all times of ages.

I then seize this opportunity to knock at every door of individuals who may get access to this Divine Poetry Book, to throw away all the borrowed ideas of the serpent.

Pursue wisdom and knowledge within words of the Mighty Mother Wisdom to enable you to discover the mystery golden key that opens the mystery Divine Temple door in you; the sacred door that will lead you in connectedness with the Mother Nature.

Through Wisdom, Knowledge and Understanding, one can discover the hidden treasures in him. For, it is the spiritual mechanism that drives and steers up mankind social development to upgrade the conditions in people's life.

In Life, man's priority is to seek wisdom, knowledge and understanding. These serve as Treasury Bills to be left behind for the next generations. Wisdom, knowledge and understanding enables man to become a dominant force in controlling everything on this Earth as endowed to him by Mother Nature.

These also lead you to Truth and Reality, which disperse the dark clouds of ignorance. Acquisition of Truth and Light is totally freedom. This is total liberation from Negativity not only for you my dear reader, but also a bonus package for the benefit for your generation and the society as a whole.

Upon the words from Him who was in the Beginning; I choose to dwell within the Heart of Hearts of men as my closet Temple for their freedom. But I found none, because, man's imaginations and wishes are purely evil and vanity of Vanities.

Instead, man chooses his evil handiwork of architectural designs as my Temple and dwelling place. Even their well polished man-made God abhors such a filthy and defiled horrible Temple.

Can I, that I am, be held in a man-made temple? I am the world as I do express my Omnipresence; and the entire Universe and its fullness is myself. Those who have ears and Wisdom to understand should try to understand what they hear.

May Creation and all Existence in Oneness guide and bless he who through the thirst for knowledge considers this poetry book something very gracious and precious. May the Entire Universe and the Ultimate Source of the Power of Creation, Pour his shower of blessings unto the souls of all readers and all those who favor my righteous cause.

**Amen Amen.Amen.**

**Kwabena Osei.**

## PURITY

**J**ust awake the Goddess in you and your inner world will be the temple of God. Your Soul will serve as an Altar for the Angels to worship, and your mind will be your priest.

Nature will then roll in an ecstasy to your feet continually. You will then discover that, God is not in manmade temple or far away distance beyond your reach, but closer than, the distance between your own beloved wife and children.

So let not thyself loosed, to be deceived that, there is a Holy Land in existence somewhere chosen by the true authentic God of Creation. For each and everyone's Holy Land is where he or she first entered this physical world. Meaning, one's place or land of birth.

This in spiritual realm, referred to as your Holy Land. The Holy one Omnipresence is felt through everything in the Creation. Man's inner world is what constitutes the Authentic Temple of God.

Just stop closing up, open up to let Love and light come shine in. Once there is an enormous light in you, you will definitely recognize the voice of the Mighty One in you continually.

You will not need a blind Man to tell you about God. For each and everyone has his own way of approaching his father. Your own way and experience of knowing God our Great father is the only truth.

**W**e enter the world very pure and innocent. That is the state of a new born baby. Just look straight in the eyes of a baby, if you are pure in spirit, you will then discover a flame of fire in combination of purity.

So, we must do whatever we can to leave the world the same way as we entered in, pure and innocent state. If not, where you came from, the Souls are undefiled. And unable to attain the purest state as you came with, you will not be welcome back there again.

And, what is religion? It is just to re-discover and to attain or claim back your innocence sold to the world. To be innocent as your childhood birth before departure from this world of transit you are living.

This is referred to as rebirth, enlightenment and you may call it whatever suits you. That is to be like a child, meaning, blameless, faultless and harmless.

In combination of this is referred to as INNOCENT.

**T**ruth is one, because it is all time in remembrance and unforgettable, whilst a lie leaves no room for remembrance and easily to be forgotten.

**N**ever try to resist the power of truth, because the power of truth is irresistible.

**B**lessed are those who sell all their borrowed philosophies and properties to pursue the Authentic Truth, for they shall be the fishers of men.

**W**hen Truth loses its weight and its authenticity, it becomes knowledge.

**T**ruth liberates and opens the sacred door of the Temple in the Hearts of Men to let Light come shine in men's closet.

Whilst Man-made fabricated lies and ideas lock the sacred door of the divine Temple instituted in man and throw darkness in men.

**T**ruth is not something man must be forced to believe with faith and hope, but an individual personal journey and sacred path to divinity which has no identity.

**T**he wisdom each and every one cherishes in his own understanding differs from the Supreme Intelligence of Mother Wisdom.

When Mother Wisdom in her choice, penetrate her chosen divine men, their words many at times paralyze, break and drag men with worldly deceit wisdom to their knees, to humiliation.

Divine Wisdom is the greatest driving mechanism force that steers mankind's cordial existence with the Supreme Mother Nature in regards of perfect understanding, perfect peace everlasting prosperity; alike, loving one another without regards of race for a global unity and perfect peace and love.

**I**nstead of depriving yourself from nourishment of food as Holy days of humbleness to be heard on high, just let your conscience guide, lead and judge your innocence in everything you do. This is the Golden Pathfinder to the Heavenly Gate.

**P**eople with faith and belief with full acceptance of what they are engaged in find no loopholes, whilst people with doubts and disbelief look only the loopholes to confirm to their doubts and disbeliefs.

**I**f an innocent man with light works in the midst of where negativity dominates, the devil looks through the eyes of the ruler to down press the innocent ones with light.

**T**ruth liberates man from darkness. And there is totally freedom and liberty in the sunshine. For, we look or search for our missing items in darkness with light. Light is the fundamental key and solution to every problem.

This may sound very strange in the ears of those sitting in limbo held in darkness. But to the wise and enlightened, it is very clear and understandable. This is the reality.

**D**o not be pre-occupied much of what darkness has stolen from you. Just hang your worries on the walls as one hangs his unwanted coat.

Be pre-occupied much with all your strength as much as possible to fight, seek and purchase wisdom, knowledge, truth and the ultimate light.

These are the measuring rod to defeat darkness to claim back all that has been stolen from you by the power of darkness.

**T**he wise Men say, only fools are rushing. It is absolutely true. The thoughts and the imaginations of fools are that, the world and it's fullness of riches are limited.

Without rushing, they may be singled and left out empty handed. But verily, verily, I say to you, if you try as much as you can to be yourself, know yourself, conquer and rule yourself to reach the top of Mt. Olympus of Divinity, you will finally realize that, the Mysteries and all the fullness of the world and everything around you and its contents are patiently and silently waiting at your door step and feet every moment without rushing.

So, again and again, only fools are rushing as the wise men say.

**T**hose who think they know are ignorant. Those who pretend not to know are the sages, because, the wiser you become, the more void and empty of nothingness state you found yourself.

These sort of men and sages are not a boastful bragged, but at peace with themselves. They are absolutely silent and pitiful to those empty barrels that roll noisy and know not the language of respect and silence.

**N**ot all Gold you see is significant and meaningful to Natural measures of Gold. All is just what human mind and beliefs is made up of.

But, I tell you, if you awaken the sleeping Goddess in you, and stand by your beliefs and its authenticities, you can even change and turn the bronze in your hands to be a pure gold in the eyes of everyone.

**Y**ou can only achieve to leave a good foot prints and great legacies, if only you are by thyself, without a copyright of any footsteps of others. Know that each and everyone is created Authentic.

Just try to awaken the sleeping Goddess in you and the whole sky seemingly immeasurable will be exploited by the power of your mind.

**A**ny moment your heart recognizes nothing than joy within the breezy winds of Natural love and absolute peace within you, just ask for whatever, not a selfish desire and it is done and accomplished.

For at this stage, you are in connectedness within the great universal light and love.

**E**nd of preview.
