INTRODUCTION

The Supreme Power of Love is extremely mysterious, strange and psychedelic. Mankind is vulnerable to the mystery wind of love that blows in its own directions.

Love is mankind's nature. In which ever pool of love you may peradventure find yourself, the only option to free yourself is to learn how to dance to the rhythm of love with your innocence, unconditional love and sense of justice.

We can transform the living hell in which we find ourselves in life, marriages and relationships into a living paradise through the mystery power of love.

Love is the solution to everything, alike, the remedy of all illness including the mystery death itself.

Love is mankind's nature. It is our birth's right. There is no possibility running away from yourself. To deny love when it knocks at your closet door tantamount to running away from yourself. "And, is there a possibility to run away from yourself?"

We fall short to the mystery power of Love and its wind that blows in its own directions. We owe allegiance to the mystery power of Love.

The Supreme power of Love is the origin of the Life Force. Thus, the essence of Life is the divine love. Mankind came into an existence through the mystery power of love. There is no possibility for mankind to control such a mighty mystery power of love through which it came into an existence.

To be engaged in love and sex relationships, or in marriage, alike confront life with your idiosyncrasy is

nothing but, self-creating hurdles that eventually becomes your crucifixion cross.

Mankind falls short to manipulate the power of Love. It is only the false love created by the devil can be manipulated, alike can be purchased with wealth.

Even, peradventure a person successfully purchases love with his wealth, there could be an imminent far reaching consequences. The Ego's dominated mind of wonder and selfishness give birth to deceptions and destructions.

The only manner through which mankind can find pleasure both in life and in matrimonial home with its extension globally is to be engaged in relationships, marriages, alike confront the mystery life with its sense of justice, innocence and unconditional love.

Love is invisible. Love is felt in each and every individual's unique way. You can only feel how deeply you are in love, but how a partner feels for you in love can only be demonstrated through actions.

Human beings thoughts are not foreseen on their forehead. The wise men say, action speaks louder than words. In some situations and circumstances, actions can be insinuated prior to personal interest. You will only know the kind of relationships or marriage in which you find yourself when deception is tearing you apart with an emotional regret.

I have deliberately thrown enormous light on how to make the right decision when the mystery wind of false love knocks at your closet to avoid its destruction afterwards in my book entitled "The Wings of Love" volume two. The subject itself is entitled; Relationships; Nature's approval and disapproval.

Life is very precious to offer your life as a ransomed sacrifice in the name of false love.

There are some moments, we are being presented relationships, or a marriage made in Heaven, but lack of the recognition of the bodily sensors and the mystery guidance, we consistently reject such precious gifts from Nature.

On the contrary, relationships or marriages, made in the living Hell by the devil, well-polished, hidden behind cosmetics and fashions, we hastily embrace it without a second thought. Eventually, it misleads us to the path of deception and suffering.

This precious book; "The Pretty Orphan" contains the story of a beautiful lady who was deliberately classified as the "She devil" prior to her sensuality aspect of life's style wise which many innocent people considered notoriously.

She trashed over men with her sensual beauty and dresses which of course left men uncomfortably tightened and miserable in their trousers.

She was nick-named; "The She-Devil." She was crowned as Queen Jezebel by her colleagues at her working premises prior to her entertainment words in sexuality. Her seductive smiles and coerced sensual words obviously enlightened men with miraculously healing to be functioned respectively to find pleasure in their respective bed of roses.

She was always the centre of attractions prior to her genius selected romantic words and wisdom that created always lovely paradise's atmosphere for her colleagues at work.

She was not a shy lady. She was a good listener, alike gave solution to her male colleagues who were in deceptions prior to false love. Her absence at her working premises was nothing but chaotic living dead premises for her colleagues.

She was pretty beautiful. She was intelligent and not mentioning her charismatic manner through which she embraced her colleagues at work. This aspect of life style made her so exceptional and unique.

Despite her jovial attitude, her sexual despot registered many men in her mystery daily of which some got access just once to taste her sweet melodies.

She deliberately gave wild kisses to those boastful bragged men with pretentious promises of bed of roses. “As the Lord said unto Moses; your eyes will see Canaan, but your foot will never step on the Land.” She capitalized on their vulnerability prior to her sensuality and made fun of them.

They will be knocking at her sacred door with numerous gifts, but an access to her Kingdom’s hall will elude them forever as their punishment.

She deliberately punished men prior to sexual abuses from the age of thirteen by her father who she considered as her biological father initially, until her orphanage status was revealed to her by a sister to her father.

This revelation encouraged her to break the chains of intimidation and life’s threatening for totally liberation from incarceration in the premises of her monster father who she previously considered as her biological father.

She struggled through many means to trace her original identity. Unfortunately the critical and the awful

circumstances through which she was adopted made it impossible to trace her original family status.

Fortunately or unfortunately, Janet survived at birth whilst her mother passed away. Her father was in his youth and fled from fatherhood responsibility. Both parents of Janet emigrated from a foreign country. Their identity given to the hospital of birth of Janet was not traceable.

It was unbearable situation for Janet to find herself in the mystery ocean of life force lonely. Nature intervened on her part through James and Theresa. They embraced her as a family member and deliberately took care of Janet.

Finally, the Supreme power of Love rescued Janet by presenting her a handsome priest who eventually became her husband.

Janet knowing her orphanage status took Kudjo her husband as the unique family in her world in which she lives. She dressed and cherished her husband with unconditional love. Though, there were awful ordeals in their relationships initially, yet, through love and experienced, she transformed her matrimonial home into the living paradise.

The Supreme power of love saw her loyalty to love and blessed her with triplets to enlarge her family. The Supreme power of Love can transform everything to be precious for mankind's pleasure.

We can be engaged in marriages with partners whose nature may be contradictory to our nature, but when unconditional love and trust reign supreme, there is always a possibility for successful marriage. The power

of love conquers all. It is the remedy of all illness including the mighty death itself.

CHAPTER 1

THE MARRIAGE COUNSELLOR

A marriage is not like a mere hot soup to be tasted and be dumped into a garbage can when freezing. It is a fulltime job that requires a great deal of sacrifice from both couple.

Love unconditionally with both your innocent and sense of justice, else, false love will make you wonder with fears and jealousy.

Jealousy and fear make you wonder. It creates an imaginary ghost of deceptions and additional fears. Fear and jealousy collaborate with the ego to implement the shadow of doubts and suspicions that eventually destroys trust which is the amour of an unconditional love.

When trust loses its legitimacy, unconditional love beats its wings and flies away leaving the vacuum to be occupied by false love which is 'Love-hatred.' driven by the Ego.

Then of course, the shadow of deception created by the mercy of the ego with its collaborators; fears and jealousy eventually present themselves with their fruit of destruction.

A marriage or a relationship is a full time job that needs commitment, sacrifice and perseverance for its success. If you are not ready, do not apply for such a sacred job with your idiosyncrasy just for your whims and caprices.

To manipulate love with your ego's dominated mind tantamount to self-creating hurdles that obviously become your crucifixion cross at the end of the day. You reap whatever that you sow.

Love is real and Natural. Love is being felt in each and everyone's own unique manner of which words fall short for thoroughly expression. It is Natural and Natural things create no miseries.

False love is the birth of mankind's miseries and agonies. All that mankind has to give to the world is love. We can transform the living hell in which we found ourselves into the living paradise through the mighty power of love.

When two beautiful Angels of light and love are thrown into the living hell, prior to the love they possess, eventually, they can transform such a hell's environment into the living paradise. Love goes beyond all borders.

To smile to a neighbour through an unconditional love is priceless, but its dividends are beyond compares.

The phenomenon mighty handiworks of the Master of Creation express their beauty for our admiration through the power of love. Love beautifies life and love is life; whilst hatred is a living dead.

Love is mankind's nature. Any idea contrary to love is meant for mankind's crucifixion.

To be engaged in marriage or in whatever relationship needs sacrifice and trust. To love unconditionally is to trust. Trust is the amour of true love; whilst jealousy and protectionism is the cover-cloth of false love.

When trust loses its legitimacy in any relationship or in a marriage, the true love beats its wings and flies away.

False love, love-hatred inherits the place of true love. Inevitably, deception eventually crowns the marriage or the relationships.

The heaven is on the earth. To find an extraordinary pleasure in the living heaven bewitching marriages or relationships is to love unconditionally with your innocence and your sense of justice.

The pride of the Supreme power of Love is to see mankind engaging in love and sex relationships and matrimonies with its innocence and unconditional Love.

“I Janet, was abused, dehumanized and torn apart with the wickedness of false love which was inevitably the passport into my grave. Mysteriously, the true power of love rescued me seeing my honesty when I became like unto the prodigal son to embrace love with my true identity, sense of justice and innocent.”

My husband Kudjo was a pretty little honey-bastard. Prior to the manner in which I cherished and dressed him up with my sense of justice, innocent and unconditional love, he was transformed and transfigured into a handsome priest.

Now everything has come up of roses in our matrimonial home. He pushes harder with his best hot shots and I open wider for perfect sweet melodies in our bed of roses for our pleasure.

Marriage is like two merging rivers that flow with their currents together into the great ocean.

Once they emerged, we see no separation. Now, the path of our individualism has ended and emerged in one solid entity to forge ahead in the journey of life under the umbrella of the supreme power of love.

Nothing can be achieved just by sitting in limbo. To be successful is through a hard work in chasing our dreams.

In some situations and circumstances, no matter how you work hard, still you gain nothing when your world and its luck are not in your favour. Thus, in some critical moments, we need a divine intervention with favours of a good luck for success.

This becomes possible when you have a peaceful and loving atmosphere in your matrimonial home. The wise men say, behind every successful man, there is a woman.

Women are the light in every matrimonial home. The more you let your woman in love smile from a loving heart; additionally such a tremendous light overshadows your activities for success.

“How can one find sunshine in the street whilst it is raining torrentially in his matrimonial home?” The uttermost peace is within. It is imperative; we must cooperate to find peace in our matrimonial home.

“I am just a poor guy with absolutely nothing, empty handed.” My husband once said.

“Your standard and beauty demands a wealthy husband.” He added.

Just forget about riches. If I am a material girl, definitely, I will not end up with you as your wife. Naked we entered this mystery world, alike naked shall we return. I said

The evolutional life of modern women prevents them from being virgins. If there is a necessity for an innocent virgin to be used for the birth of another saviour to save the world on the verge of its collapsing
